ANSWERED ON:11.04.2017
Computerization of PDS and Linking with Aadhaar
Pandey Shri Ravindra Kumar

Will the Minister of CONSUMER AFFAIRS, FOOD AND PUBLIC DISTRIBUTION be pleased to state:

(a) the time frame fixed to complete full computerisation of Public Distribution System and its linking with Aadhaar along with the names of the State where it has been fully implemented;
(b) whether the Government has received any request to extend the time limit in view of problems being faced in implementation of this programme; and
(c) if so, the details thereof and the response of the Government in this regard?

Answer

MINISTER OF STATE FOR CONSUMER AFFAIRS, FOOD & PUBLIC DISTRIBUTION
(SHRI C. R. CHAUDHARY)
(a) to (c): Department of Food and Public Distribution is implementing a Plan Scheme on 'End-to-end Computerization of TPDS Operations'. The component-I of the scheme comprises digitization of ration cards/beneficiary and other databases, online allocation, computerization of supply-chain management, setting up of transparency portal and grievance redressal mechanism. Initially, the implementation of the project was slow and uneven across the country due to delay in finalization of action plans by States/UTs, late submission of their proposal for financial assistance and practical problems faced during implementation of the project. However, due to vigorous efforts and constant monitoring of the project there has been significant progress in implementation of the project and ration cards have been completely digitized in all States/UTs, transparency portal and online grievance rederessal facility/Toll-free number have been implemented in all States/UTs, online allocation has been implemented in 30 States/UTs and supply chain has been computerized in 20 States/UTs. The validity of the scheme has been extended by one year i.e. upto 31.03.2018 without any escalation in the project cost to complete the project. The present status of implementation of various activities of the project and seeding of Aadhaar in beneficiaries' data base (State-wise) is annexed.
